

# IGLOO Rolled Frame Structure

Simple, Effective and Built to Last

A Free standing igloo structure delivered by Complete Shade Solutions represents the best long term outcome delivering maximum shade whilst enhancing the recreational area.

It is through quality design, engineering, manufacture and installation that ensures that the client can focus on other works during the installation and have the least amount of maintenance in the future.

Why go with a poorer design or installation and pay by having poor performing (wobbly, crooked miss located) structures and ongoing maintenance issues? It is not what you need.
